PVC Insulation Tape TDS Summary

PVC insulation tape summary for electrical wrapping and cable protection. Confirm voltage, market, colour and compliance requirement before use.

Product code	Construction	Adhesive / type	Key applications	Selected technical values	Temperature / notes
#307	PVC film backing	Aggressive rubber resin	Wire and cable wrapping; electrical insulation and protection	Thickness 0.125 mm; adhesion 1.2 N/cm; tensile 18 N/cm; elongation 100%; dielectric strength 4500 V	Confirm electrical and market requirement

Note: Values are summary references from current source documents. They are not a blanket compliance statement. Please confirm product grade, application surface, destination market, quantity, size, test requirement and latest document status with SB Tape Group before approval.
